The diagram illustrates a content distribution system 40. It features a central Search Interface 45 and a GCD Interface 43. A Global Content Directory 42 is connected to the GCD Interface 43. Multiple Sellers (30a, 30b, ..., 30n) are connected to the Search Interface 45 and their respective Content Stores (32a, 32b, ..., 32n). Buyers (20a, 20b, ..., 20n) are connected to the GCD Interface 43. The Search Interface 45 also connects to the GCD Interface 43.
